Sri K. PUTTASWAMY.—What is the consideration that the Government is giving to them in view of their services ?

Sri A. G. RAMACHANDRA RAO.—They are given inam lands and that is the consideration.

Sri K. PUTTASWAMY.—In places where there are no service inams to Thoties and Talaries, what is the consideration that the Government is giving to them ? (*Interruption*) Sir, this question of Thoties and Talaries unnecessarily gives rise to so much of enthusiasm from every quarter. As I asked already, in places where there are no service inam lands granted in favour of Thoties and Talaries, what is the consideration that the Government is giving to such Thoties and Talaries ?

Sri A. G. RAMACHANDRA RAO.—I want notice for that.

Sri R. CHENNIGARAMIAH.—What is the practice obtaining in Bellary in respect of these officers ?

Sri A. G. RAMACHANDRA RAO.—I believe some cash is paid there. But I have got to verify.

Sri R. CHENNIGARAMIAH.—If that is found feasible in Bellary District which is part of Mysore now, how is it that in other parts of Mysore it is not found feasible ?

Sri A. G. RAMACHANDRA RAO.—I have already said that it will be examined.

Committee on Failures in University Examinations.

Q.—60. Sri B. NARAYANASWAMY (Mysore City South).—

Will the Government be pleased to state :—

the action the University has taken on the report of the committee which investigated into the causes for a large number of failures in the University examinations in the matter of—

(*a*) avoidance of late admission to colleges,

(*b*) removing indiscipline amongst teachers and students,

(*c*) checking 'poor materials' that entered the college,

(*d*) introducing quality control in the matter of recruitment of teachers ?

A.—Sri A. G. RAMACHANDRA RAO (Minister for Law and Education).—

Report of the Committee was placed before the Senate at the meetings held on 7th January 1956 and 28th January 1956.

(*a*), (*b*), (*c*) and (*d*) These matters are under the active consideration of the University.

Sri B. NARAYANASWAMY.—Am I to understand that the report of this committee is pending before the University Council ?

*Sri A. G. RAMACHANDRA RAO.—Yes. My information was that it was in the Senate and I do not know if it has come up before the Council.

Sri B. NARAYANASWAMY.—You have been pleased to say that at the meetings of the Senate held on 7th January 1956 and 28th January 1956 the matter was considered by it. May I know the decision of the Senate in the matter ?

Sri A. G. RAMACHANDRA RAO.—We have not yet received the report on that matter from the University body.

Sri B. NARAYANASWAMY.—At least have the Government come to know what the decision of the Senate is in the matter ?

Sri A. G. RAMACHANDRA RAO.—In due course we will be informed of it.

Sri B. NARAYANASWAMY.—This question has been pending for a long time and a convenient answer has been given that these matters are under the active consideration of the University. I am afraid that the purpose of my putting such a question will be of no avail and I do not know what further questions I have to put on these matters. I seek the protection of the Chair.

Sri A. G. RAMACHANDRA RAO.—On 28th January 1956 we called for information and whatever answers were available then, we have given.

Mr. SPEAKER.—It has been replied that the matter is under the consideration of the University. They have not withheld any answer.

Sri B. NARAYANASWAMY.—Does the University body take such a long time to consider the question ?

Mr. SPEAKER.—That is a different matter.

Sri B. NARAYANASWAMY.—I am helpless, sir.

Mr. SPEAKER.—There is one question of Sri Mulka Govinda Reddy. The Member is not here.

(*Sri Swamidurai rose.*)

Sri H. M. CHANNABASAPPA.—His question may be taken up a little later when the Chief Minister comes.

Electrification of Mandya Koppal, and other villages.

Q.—138. Sri K. PUTTASWAMY (Srirangapatna).—

Will the Government be pleased to state :—

(*a*) whether the estimates for electrification of the villages of Mandya Koppal, Mahadevipura, Vadiyandahalli and Gamanahalli of Srirangapatna taluk are prepared and sanctioned by Government ;

(*b*) what is the expected return from each of these villages on the estimated cost ;

(*c*) whether the load survey forms have been sent by the Deputy Commissioner for the abovementioned villages ; if not, the reasons for the delay ;

(*d*) since when the applications of the abovementioned villages are pending with the electrical department ;

(*e*) the reasons for not taking up the work so far ?

A.—Sri H. M. CHANNABASAPPA (Minister for Industries).—

(*a*) Estimates have been prepared for all villages except Mandya Koppal. That pertaining to Gamanahalli has been sanctioned.

(*b*) Mahadevipura ... 11 per cent.
Vadiyandahalli ... 10·5 ,,
Gamanahalli .. 8·4 ,,

(*c*) Yes.

(*d*) Mahadevipura ... 1953
Vadiyandahalli ... 1953
Mandya Koppal ... January 1956

(*e*) The work pertaining to Gamanahalli will be taken up shortly. The estimates for the other two villages of Mahadevipura and Vadiyandahalli are being finalised. The estimate for Mandya Koppal has to be prepared after completing the investigation.

Sri K. PUTTASWAMY.—May I know the date of preparing the estimates for the first two villages, namely, Mahadevipura and Vadiyandahalli ?

*Sri H. M. CHANNABASAPPA.—1954.

Sri K. PUTTASWAMY.—The year consists of 12 months. May I know the month ?

Sri H. M. CHANNABASAPPA.—I have not got information about the exact month ?

Sri K. PUTTASWAMY.—What is the difficulty in sanctioning the estimates though they were prepared in the year 1954 ?

Sri H. M. CHANNABASAPPA.—The load survey forms have got to be countersigned and sent to the Deputy Commissioner and the delay in sanctioning is mostly due to that.

Sri K. PUTTASWAMY.—May I know what was the chief difficulty in completing the load survey forms in the office of the Deputy Commissioner ?

Sri H. M. CHANNABASAPPA.—It is not the Deputy Commissioner who prepares the load survey forms. It is the parties, the village panchayets, and they have got to be scrutinised by the Amildar and certified and thereafter the Deputy Commissioner has got to countersign.

Sri K. PUTTASWAMY.—I said completion and not preparation. Has it come to the notice of the Government that there has been a lot of delay in the office of the Deputy Commissioner even after the receipt of load survey forms ?

Sri H. M. CHANNABASAPPA.—If the forms are prepared correctly they will be countersigned automatically. If the panchayets have no funds and if they simply pass a resolution and fill in the forms and send them, naturally they have got to be delayed.
